Yes Sir, That's My Baby

Verse 1

Yes sir, that's my baby, No sir, I don't mean maybe,
She's the one who steals my heart away,
Every night and day.

Verse 2

Yes sir, that's my baby,. No doubt, she drives me crazy,
When she smiles, the world feels right,
Everything's so bright.

Chorus

Yes sir, that's my baby, She's the one I adore,
Every step that she takes
Makes me love her more.
Yes sir, that's my baby,
And I'll say it loud and true,
There's no one in this world
Who can shine like you.

Verse 3

Yes sir, that's my baby, Sweet and kind and lovely,
When she's near, I feel so strong,
Right where I belong.

Bridge (Pont)

If you ask me why I'm smiling,
Why I'm walking on the air,
It's because she's right beside me,
And I know she cares.
Ain't no doubt, I'll keep on saying,
Till the stars fall from above,
She's my joy, my inspiration,
She's my only love.

Final Chorus (option à répéter)

Final Chorus (option à répéter)

Yes sir, that's my baby, She's the one I adore,
Every step that she takes
Makes me love her more...
